Professional Experiences

CLINICAL TEACHING

Purcell High School | January 2025 – May 2025

- Developed and taught agricultural curriculum, tailored to meet state educational standards and diverse student needs.
- Oversaw student-led Supervised Agricultural Experiences, encouraging hands-on learning and practical skills development, while coaching students for success in FFA events and leadership roles.
- Collaborated with faculty, administrators, and community partners to create an inclusive and dynamic learning environment that supported student growth and achievement.

PRE-CLINICAL TEACHING

Stillwater Public Schools

- Designed and taught a middle school agricultural exploration lesson on plant anatomy, guiding students to construct a model flower with labeled parts to demonstrate understanding of complete flower structures.
- Led an Agricultural Power and Technology class in building a project model based on technical design principles, emphasizing precision and craftsmanship.

PRE-CLINICAL EXPERIENCES

- Facilitated National FFA Officer Training (2024)
 - Ripley Opening and Closing Ceremonies Judge (2023-2024)
 - Collegiate FFA Speech Contest Judge and Organizer (2022-2024)
 - Oklahoma Youth Expo Welding Project Judge (2023)
 - Observed Classes and Facilities at Edmond (2023)
 - Observed Jenks and Fairfax Agricultural Programs (2023)
-
