---

### ELGIN AGRICULTURAL EDUCATION/FFA PROGRAM- SPRING 2025

- Student teaching under Mr. John Lastly

### AGED 4103- STILLWATER AGRICULTURAL EDUCATION PROGRAM- FALL 2024

- Taught a lesson over Coniferous Ecosystems in Mr.Nipper's Wildlife Management class.

### AGED 4113- STILLWATER AGRICULTURAL EDUCATION PROGRAM- FALL 2024

- Taught a inquiry based lesson about point source and non-point source pollution to Mr. Branscum's 8th grade agriscience class.

## CLINICAL/PRE-CLINICAL TEACHING EXPERIENCE

### STATE FFA INTERSCHOLASTIC COMPETITION- SPRING 2024

- Student superintendent of the state Milk Quality and Products career development event.

### QUINTON AGRICULTURAL EDUCATION/FFA PROGRAM- FALL 2023

- Classroom observations and assisted with hosting their elementary Ag in the Classroom Day with the Southwest Dairy mobile milking unit.

### KONAWA AGRICULTURAL EDUCATION/FFA PROGRAM- FALL 2023

- Classroom and laboratory observations
- 

### OVERLOOK EQUINE LLC. 2023-2024

## WORK EXPERIENCE

- I have worked as a barn hand in a nationally recognized halter show horse breeding operation. I gained invaluable experiences in equine reproduction, care, and horse show preparation.

## SEMINOLE COUNTY OSU EXTENSION INTERN- 2024

- I spent a summer as the OSU extension intern working hands on with 4-H members, the agriculture, and family and consumer sciences educator. I hosted workshops for 4-H members, took members to the Big 3 livestock judging contest, attended county improvement meetings, and interpreted soil, water, and forage samples for local agriculturists.

### WORK EXPERIENCE

#### MCGILL CATTLE 2022-2023

- I have worked on a stocker cattle operation focused on cattle health and growth. I have hands on experience doing all aspects of stocker cattle production from daily management including feeding, doctoring and processing as well equipment repair and herd management decisions .

#### CONNORS STATE COLLEGE STUDENT GREENHOUSE TECHNICIAN-2023

- I spent a semester as a student worker at the Connors State greenhouse learning greenhouse management fundamentals, principals of landscape and floral design, and worked retail serving customers at our biannual plant sale fundraiser.

---
