CLINICAL EXPERIENCE

Perkins High School

- Served as a coach and mentor for students in relation to CDEs, LDEs, and SAEs
- Develop lesson plans aligned with curriculum standards while incorporating real-world agricultural applications.
- Taught 8th Grade , 3 Ag Mechanics classes, and Ag Comm using engaging, hands-on instruction.
- Collaborated with cooperating teacher and fellow agriculture educator to gain experience

PRE-CLINICAL EXPERIENCE

Morrison High School

- Taught a lesson on plant life cycles, including identification of key stages (seed, germination, growth, reproduction, pollination, and seed dispersal); provided examples of various plant types and guided students in recognizing and categorizing different plant species.

Stillwater High School

- Taught a lesson on agricultural industry sectors using Orville Redenbacher as a case study; helped students identify and categorize agricultural production, processing, and marketing components.

Collegiate FFA Speech Contest

- Judged FFA Creed Speaking event, scoring student speeches and providing feedback based on delivery, content, and official criteria.

Broken Arrow FFA Speech Contest

- Assessed student ability to craft and deliver speeches on agricultural topics with limited preparation time, following FFA evaluation standards.

PRE-CLINICAL OBSERVATIONS

- Perry High School
- Guthrie High School
- Stillwater High School
- Moore High School
- Jenks High School
- Fairfax High School
