EDUCATIONAL EXPERIENCE

August 2025 - December 2025

Clinical Student Teaching Experience - Maysville High School

- Created weekly lesson plans to enhance and facilitate students' learning experiences.
- Utilized various teaching methods and technology in the classroom to convey instruction, such as modified lecture and cooperative learning.
- Coached and developed Career Development Event teams
 - Opening and Closing Ceremonies Team.

Spring of 2025

Pre-Clinical Teaching Experience - Stillwater High School

- Prepared an Internal Body Systems lesson for instruction to an Animal Science classroom.
- Formulated a lesson based on the Oklahoma State Agriculture, Food, and Natural Resources Standards.

Fall of 2024

Pre-Clinical Observation - Milford High School - Milford, TX

- Observed Mrs. Thoms instructing project development in her agricultural mechanics shop.
- Assisted with the Milford FFA Officer Interviews,
 - Interviewed candidates questions regarding their involvement within the FFA Chapter and how they would improve it.

WORK EXPERIENCE

May 2024 - August 2025

Service Porter - Frisco Chrysler, Dodge, Jeep, and Ram

- Maintained organization of the dealership and its vehicles to optimize efficiency.
 - Ensure vehicles are moved promptly upon arrival and retrieve finished vehicles for customers to pick up.
- Inspected vehicles for damage before and after service was completed, and reported any issues found to the service manager or advisor.

Sept 2023 - May 2025

Lab Assistant - USDA-Agriculture Research Service - Stillwater, OK

- Organized and labeled stakes to ensure accurate identification of planting sites for field experiments.
- Measured and counted seeds needed to meet specific research requirements.
- Cleaned and sanitized plant cages to support controlled plant growth within the greenhouses for accurate research.
