Education

Bachelor of Science in Agricultural Science and Natural Resources | Graduation: May 2025

Oklahoma State University | Stillwater, Oklahoma

Major: Agricultural Education

Professional Experience

Student Teaching Experience | Edmond Public Schools | January 2025 - May 2025

- Developed meaningful and engaging agricultural communication curriculum for high school students.
- Organized and coached a Parliamentary Procedure Team utilizing Robert's Rules of Order.
- Coordinated with teaching partners to ensure student's needs were met in and outside the classroom.
- Reflected on my experiences with my university supervisor to further improve my skillset.

Pre-Clinical Teaching Experience | Stillwater High School | North Putnam High School

- Developed lessons aligned with AFNR Standards for Ag 1, Principles of Agriculture, and Wildlife Management classes.
- Presented effective lessons that utilized the CASE AFNR Curriculum.
- Coordinated with a peer teaching partner to present an effective Wildlife Management lesson.
