Czech University of Life Sciences – Prague, Czechia GPA: N/A

## WORK EXPERIENCE

### **Campus Tour Guide**

Office of Undergraduate Admissions - Stillwater, Oklahoma May 2023 - Present

- Provide information to over 500 prospective students each semester regarding attending Oklahoma State University
- Memorize a script for a tour roughly two hours in length
- Formulate tours specifically for students and their unique and specific interests

### **Student Success Leader Career Liaison**

Ferguson College of Agriculture - Stillwater, Oklahoma August 2022 – May 2024

- Assisted students in the curation of their resumes, cover letters, and other career-related documents.
- Conducted mock interviews to prepare students for internships and post-graduation job opportunities.
- Worked within a team to facilitate over 30 career readiness events for students within the Ferguson College of Agriculture.

### **Intramural Sports Referee/Supervisor**

Oklahoma State University Competitive Sports – Stillwater, Oklahoma December 2021 - August 2023

- Promoted to supervisor after four months, supervising over 50 student workers
- Officiated intramural sports for more than 4,000 participants in over 40 unique events
- Utilized conflict management skills in order to ensure a safe and enjoyable environment for all participants

### **Swine Farm Worker**

Carter Showpigs – Dothan Alabama/Greenfield, Indiana October 2010 – May 2021

- Raised and exhibited high quality showpigs across the southeast and Midwest
- Formulated and Implemented feed rations for all animals
- Proficient in ability to select high quality showpigs

## CLINICAL TEACHING

### **Student Teacher**

Stratford High School – Stratford, OK January 2025 – May 2025

- Planning and instructing courses in 8<sup>th</sup> Grade Ag Exploration, Introduction to Agriculture, Agricultural Communications, and Agricultural Mechanics
- Coaching numerous CDE and LDE teams, including Food Science and Technology and Land Judging, multiple prepared and extemporaneous speaking events, as well as a Talent contestant
- Supervising over 100 SAE projects with the intention of exhibiting at the Oklahoma Youth Expo and/or Garvin County Fair

## PRE-CLINICAL TEACHING

### Stillwater Public Schools

April 2024, December 2024

Stillwater High School – Stillwater, OK

- Taught an 8<sup>th</sup> grade Ag Exploration class an inquiry-based learning activity regarding food chains within ecosystems, relating back to wildlife conservation and standards being cross-walked to Biology curriculum
- Instructed an 8<sup>th</sup> grade Ag Exploration class on meat carcass evaluation while covering the basics of meat grading, while also conducting a mock meat judging contest to increase student's interest in future CDE teams and competitions

### Oklahoma State University

Department of Agricultural Education, Communications, and Leadership August 2023-December 2024

- Taught numerous different lessons to my fellow cohort members, focused on a variety of pedagogical theories, teaching styles, and content areas

## PRE-CLINICAL OBSERVATIONS

### Pawhuska Public Schools

November 2024

Pawhuska High School – Pawhuska, OK

- Judged a Parliamentary Procedure contest, aiding members in their parliamentary knowledge and public speaking skills
- Refined my own understanding of Parliamentary Procedure by attentively providing critiques and constructive criticism to these teams

### Woodland Public Schools

October 2023, November 2023

Woodland High School – Fairfax, OK

- Attended SAE livestock project checks and logged updates on benchmarks for student's projects for upcoming shows and final destinations for these projects
- Aided in the instruction of in-class labs through animal science standards and led them to building interest in agriscience fair projects

### Jenks Public Schools

October 2023

Jenks High School – Jenks, OK

- Distinguished between different strategies for classroom, shop and barn setup in order to decide which layout fits my educational priorities the best

### Hennessey Public Schools

September 2023

Hennessey High School – Hennessey, OK

- Observed classes of 8<sup>th</sup> grade Intro to Ag, Ag Communications, and Ag Mechanics to learn curriculum and learning activities, as well as proper and effective classroom management strategies
- Studied techniques in writing grant proposals

### Kellyville Public Schools

March 2022, March 2023

Kellyville High School – Kellyville, OK

- Participated in the judging of a speech contest, constructively critiquing students and their public speaking ability
- Objectively ranked students based on the content of their speech as well as the quality of their speaking
