EDUCATION

Oklahoma State University (OSU) – Stillwater, OK
Bachelor of Agricultural Education; Animal Agriculture
Bachelor of Animal Science; Livestock Merchandising

Expected Graduation: December 2021

GPA: 3.188

PROFESSIONAL EXPERIENCE

Jenks Public Schools- Clinical Teaching Experience

Fall 2021

- Instructed one hour of Veterinary Science and three hours of Agriscience Explorations
- Coaching Opening and Closing Ceremonies and Greenhand Quiz

Cushing Public Schools – Pre-clinical Teaching Experience

2019 - 2021

- Instructed a Forestry unit in a Horticulture hour
- Developed AFNR standard based lessons
- Observed the agricultural educator instruct implementing the three-circle model of agricultural education.

WORK EXPERIENCE

Student Accountant – Oklahoma State University Accounting Department

January 2019 – Present

- Organized files and records to comply with university policy and procedure.
- Analyzed data to ensure it was recorded and reconciled.
- Strengthened financial management processes to bring errors to near zero in reporting and general bookkeeping.
- Approved all electronic invoices submitted within the university and pinpoint any mistakes that may popup within an invoice to emend.

Oklahoma 4-H STEMist – Oklahoma State University

Summer 2020

- Designed lesson plans for virtual science, technology, engineering, and math summer camps for 4-H students in Oklahoma and across the United States.
- Engaged the campers in subjects' matter and analyzed the learning from each video.
- Collaborated with county educators, fellow STEMists, and employers to make sure we gave the students the best summer camp we could even though it was virtual.
- Recorded educational videos to be published to the Oklahoma 4-H YouTube channel.
- Became efficient in using Adobe to edit videos so that we had the best quality videos to portray for the students.

Undergraduate Research Assistant – Oklahoma State University Swine Facility

January 2018 – December 2019

- Investigated the effects of herbal extract supplement and low protein diets.
- Collected experimental data through weights, urine and fecal matter, and tissue samples.
- Insert the collected data numbers into Excel sheets to keep organized.
- Familiarized myself with doing research work at a collegiate level.
- Maintained a clean and healthy swine barn to make sure that the livestock were always in the best condition.

Animal Control Work Trainee – Mariposa County Sheriff Department

Summer 2018 – Summer 2019

- Ensured that all captured animals were safely transported to impound facilities.
- Provided food, water, and general care to all the detained animals.
- Helped contact local vets when animals that were brought in required some type of medical care.
- Ensured that all animal storage facilities were kept clean.
- Observed how all reports were made and records maintained on captured animals.
- Provided quality food in a clean and safe environment so that guests will have an enjoyable experience.
- Customize and distribute dog license accordingly.

LEADERSHIP EXPERIENCE

Historian and Retreat Appointed Officer – Sigma Phi Lambda

August 2020 – May 2021

- Capture photographs at chapter events and edit them for the members.
- Edit photographs in a timely manner to be published on organization Instagram accounts.
- Plan a retreat each semester through communicating with venues, speakers, and other appointed officers.

Student Ambassador – Oklahoma State University

August 2019 – May 2019

- Promote and serve the department of Animal Sciences.
- Present Oklahoma State University to prospective students.
