## Work Experience

### Farm hand, Turney Ranch: McAlester, OK-2018

I worked as a farm hand during the summer for the Turney family while in high school. My jobs on the farm included, but were not limited to, maintaining clean and efficient facilities, overseeing fence repairs, and animal husbandry practices for their herds of cattle and horses.

### Stocker/Vender, Pepsi Cola: McAlester, OK 2019 to 2021

I worked the weekends as a stocker for Pepsi Cola of McAlester. My duties at this job were go to our customers' businesses and restock merchandise on the weekends and during summer holidays. I maintained organization in our stock area while working with other Vendors from different companies to maintain order in the workplace.

Walmart- OGP online personal shopper 2021-current

My job was to identify items selected by customers in a timely manner, then organize them in a designated area to ensure they are easily accessible for our clients to pick up at their directed pickup time. If items are not available my job was to use problem solving skills to find replacement items.

OSU Dining- student supervisor 2021-2023

As the Closing supervisor I delegated tasks to my team to ensure that our dining concept was closed properly, while maintaining organization, customer service, and prioritizing sanitary measures to ensure a well-maintained dining area. I conducted the training of new employees and encouraged a safe learning environment.
