AGEC	3333	Ag Markets & Price Analysis			
Total: 17 credit hours			Total: 15 credit hours		

^aThis plan is an example of how a student may successfully complete degree requirements in four years. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic adviser prior to course enrollment each semester.

^bStudent usually completes the required internship for credit in the summer with credit hours earned in the fall semester.
