

# FINISH IN FOUR

College: Ferguson College of Agriculture Degree/Major: BLA/LA Option: none Academic Year: 2021-22  
Hours: 150

## Proposed\* Five-Year Degree Plan

\*Landscape Architecture is an accredited five-year program; this plan is an example of how a student may successfully complete degree requirements in five years. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester. Students must meet all general education and Ferguson College of Agriculture requirements.

| Year One               |       |  |                        |      |                               |
|------------------------|-------|--|------------------------|------|-------------------------------|
| Fall Semester          |       |  | Spring Semester        |      |                               |
| ENGL                   | 1113  | Freshman Composition I   | LA                     | 2323 | Computer Aided Design         |
| LA                     | 1013  | Intro to Landscape Architecture  | LA                     | 2223 | LA Visual Communication II    |
| LA                     | 2213  | LA Visual Communication I  | LA                     | 3315 | Studio 1: Principles & Theory |
| AG                     | 1011  | Orientation to FC  | ENGL                   | 1213 | Freshman Composition II       |
| HIST                   | 1103  | Survey of American History   |                        |      |                               |
|                        | 3 hrs | Humanities & Diversity Course (H, D)<br>or Humanities & International Course<br>(H, I) |                        |      |                               |
| Total: 16 credit hours |       |  | Total: 14 credit hours |      |                               |

| Year Two               |      |                             |                        |      |                                     |
|------------------------|------|-----------------------------|------------------------|------|-------------------------------------|
| Fall Semester          |      |                             | Spring Semester        |      |                                     |
| LA                     | 3325 | Studio 2: Site Design       | LA                     | 4415 | Studio 3: Rec & Open Space          |
| LA                     | 3884 | LA Construction I           | ART                    | 1103 | Drawing I                           |
| HORT                   | 2613 | Woody Plant Material        | MATH                   | 1583 | Applied Geometry & Trigonometry (A) |
| BIOL                   | 1114 | Introductory Biology (L, N) | POLS                   | 1113 | American Government                 |
| Total: 16 credit hours |      |                             | Total: 14 credit hours |      |                                     |

| Year Three             |      |                              |                        |      |                                  |
|------------------------|------|------------------------------|------------------------|------|----------------------------------|
| Fall Semester          |      |                              | Spring Semester        |      |                                  |
| LA                     | 3673 | History & Theory of LA (H) * | LA                     | 3894 | LA Construction II               |

***\*Courses offered every other year.***

**Courses offered every other year information.**

***LA 4423 Planning & Design for Sustainable Landscapes — Spring 2022 & 2024***

***LA 4433 Land Use & Community Planning — Fall 2022 & 2024***

***LA 3673 History and Theory of Landscape Architecture (H) — Fall 2021 & 2023***

***LA 3682 Professional Practice — Spring 2021 & 2023***

\*\* All landscape architecture students are required to complete LA 3010: Landscape Architecture Internship for a minimum of 2 credits. Students that are on-track or ahead of schedule have the option to complete a long-term internship during the spring and summer semesters of the 4<sup>th</sup> year. Students enrolled in the long-term internship can receive up to 5 credits toward their emphasis area. Students interested in the long-term internship options should talk with their advisor.
