

# FINISH IN FOUR

**College:** Ferguson College of Agriculture **Degree/Major:** BSAG/ANSI **Option:** GEN **Academic Year:** 2023-24

**Hours:** 120

## Proposed\* Four-Year Degree Plan

\*This plan is an example of how a student may successfully complete degree requirements in four years. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester. Students must meet all general education and Ferguson College of Agriculture requirements.

| Year One               |      |                                  |                        |      |                                      |
|------------------------|------|----------------------------------|------------------------|------|--------------------------------------|
| Fall Semester          |      |                                  | Spring Semester        |      |                                      |
| ENGL                   | 1113 | Freshman Composition I           | ENGL                   | 1213 | Freshman Composition II              |
| MATH                   | 1513 | College Algebra or MATH 1483     | CHEM                   | 1215 | General Chemistry or CHEM 1314 (LN)  |
| BIOL                   | 1113 | Introductory Biology (N)         | AGEC                   | 1113 | Intro to Ag Economics (S)            |
| BIOL                   | 1111 | Introductory Biology Lab (LN)    | ANSI                   | 2253 | Meat Carcass Evaluation or ANSI 2233 |
| ANSI                   | 1023 | Intro to Animal Sciences         |                        |      |                                      |
| ANSI                   | 1021 | Intro to Animal Sciences Lab     |                        |      |                                      |
| AG                     | 1011 | Orientation to FCOA              |                        |      |                                      |
| ANSI                   | 2111 | Animal and Food Science Prof Dev |                        |      |                                      |
| Total: 16 credit hours |      |                                  | Total: 14 credit hours |      |                                      |

| Year Two               |      |                                    |                        |       |   |
|------------------------|------|------------------------------------|------------------------|-------|---|
| Fall Semester          |      |                                    | Spring Semester        |       |   |
| PLNT                   | 1213 | Intro to Plant and Soil Systems    | ANSI                   | 3543  | Principles of Animal Nutrition            |
| ANSI                   | 2112 | Livestock Evaluation               |                        | 3 hrs | Upper-Division AGCM, AGECE or AGED        |
| HIST                   | 1103 | Survey of American History         | AGCM                   | 3203  | Oral Comm in ASNR or SPCH 2713 (S)        |
| STAT                   | 2013 | Elementary Statistics or STAT 2023 | ANSI                   | 3—3   | ANSI 3123, 3333, 3414, 3533, 3623 or 3753 |
| POLS                   | 1113 | American Government                |                        | 3 hrs | Humanities & Diversity Course (HD)        |
| ANSI                   | 3423 | Animal Genetics                    |                        |       |   |
| Total: 17 credit hours |      |                                    | Total: 15 credit hours |       |   |

| Year Three             |       |   |                        |              |   |
