

FINISH IN FOUR

College: Ferguson College of Agriculture | **Degree/Major:** BSAG/AGBU | **Option:** CASS
Academic Year: 2025-26 | **Hours:** 120

Proposed* Four-Year Degree Plan

*This plan is an example of how a student may successfully complete degree requirements in four years. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester. Students must meet all general education and Ferguson College of Agriculture requirements.

¹ MATH 1483 or MATH 1513 is a prerequisite for MATH 2103 and STAT 2023. Applicable as an additional General Education requirement or as an elective. Can be alleviated with a math placement score that offers direct enrollment into MATH 2103 and STAT 2023.

² Numerous humanities courses available in combination with *Diversity* (D) or *Global Cultural Competency* (G) General Education requirement.

³ If *Global Cultural Competency* (G) is completed with Humanities elsewhere, *Diversity* (D) course should be selected here. Possible (D) or (G) course combinations exist with other courses, which would allow for a different General Education course here (Q, H, N, S, D, G, or F).

⁴ FIN 3113 is not allowed with the *Agricultural Real Estate Appraisal* (AREA) minor.
