ACCT	4901	Advanced Accounting Tools & Technologies	MSIS	3223	Principles of Data Analytics
MSIS	4123	Cybersecurity Systems Management	LSB	4323	Law of Comm Trans & Debt-Cred Rel.
Total: 19 credit hours			Total: 19 credit hours		

Students are responsible for completing requirements in the official degree sheet for each major as listed in the University Catalog for 2026-2027.

¹ Business Calculus and Elementary Statistics have a prerequisite of MATH 1483 or MATH 1513. One of these prerequisite courses may be needed or a Math Placement test score allowing direct enrollment into each is possible if MATH 1483 or MATH 1513 has not been completed.

² Numerous humanities courses available in combination with Diversity (D) or Global Cultural Competency (G) General Education requirement.

³ If Global Cultural Competency (G) is completed elsewhere, a standalone Humanities (H) course should be selected here.
