Students are responsible for completing requirements in the official degree sheet for each major as listed in the University Catalog for 2026-2027.

¹ Chemistry I, Business Calculus, and Elementary Statistics have a prerequisite of MATH 1483 or MATH 1513. One of these prerequisite courses may be needed or a Math Placement test score allowing direct enrollment into each is possible if MATH 1483 or MATH 1513 has not been completed.

² If *Global Cultural Competency* (G) is completed elsewhere, a standalone *Humanities* (H) course should be selected here. Possible (D) or (G) course combinations exist with other courses.

³ Numerous humanities courses available in combination with *Diversity* (D) or *Global Cultural Competency* (G) General Education requirement.
