

# FINISH IN FOUR

**College:** Ferguson College of Agriculture **Degree/Major:** BSAG/ANSI **Option:** PROP **Year:** 2026-27 **Hours:** 120  
**Proposed\* Four-Year Plan**

**\*This plan is just one example of how a student may complete degree requirements in four years.**

| Year One               |      |                               |                        |      |                                           |
|------------------------|------|-------------------------------|------------------------|------|-------------------------------------------|
| Fall Semester          |      |                               | Spring Semester        |      |                                           |
| ENGL                   | 1113 | Freshman Composition I        | ENGL                   | 1213 | Freshman Composition II                   |
| UNIV                   | 1111 | First Year Seminar            | ANSI                   | 2253 | Meat Animal and Carcass Eval or ANSI 2233 |
| ANSI                   | 1124 | Intro to Animal Sciences      | CHEM                   | 1215 | Chemical Principles I or CHEM 1314        |
| BIOL                   | 1113 | Introductory Biology (N)      | POLS                   | 1113 | American Government                       |
| BIOL                   | 1111 | Introductory Biology Lab (LN) | ANSI                   | 2111 | Animal and Food Science Prof Dev          |
| MATH                   | 1513 | College Algebra or MATH 1483  |                        |      |                                           |
|                        |      |                               |                        |      |                                           |
| Total: 15 credit hours |      |                               | Total: 15 credit hours |      |                                           |

| Year Two               |      |                                 |                        |                 |                                                                                 |
|------------------------|------|---------------------------------|------------------------|-----------------|---------------------------------------------------------------------------------|
| Fall Semester          |      |                                 | Spring Semester        |                 |                                                                                 |
| AGEC                   | 1113 | Intro to Ag Economics           | AGCM                   | 3203            | Oral Comm in ASNR or SPCH 2713                                                  |
