WORK EXPERIENCE

Agricultural Education Student Teacher – Harrah Public Schools (Harrah, OK)

January-May 2026

- Adapt instructional strategies to meet diverse learning styles and support student engagement
- Assist with advising the FFA chapter and helped coordinate chapter events
- Support students in preparing for CDEs and LDEs, providing coaching, resources, and feedback
- Guide students in developing and managing SAE projects across various pathways

Student Staff Lead: Undergraduate Admissions – Oklahoma State University (Stillwater, OK)

2024-present

- Stay up to date on requirement changes in the undergraduate programs and majors
- Answer customer questions about admission to the university and direct them to Admissions Counselors for further assistance
- Serve as the first point of contact for visiting families, offered friendly greetings, and addressed concerns

Student Employee: Communications and Marketing – Connors State College (Warner, OK)

2023-2024

- Design and polish online marketing content, including newsletters, brochures, and emails
- Utilize photography skills to capture all events on and off campus
- Work alongside Adobe Photoshop and Lightroom to create posters for college athletic teams

Oklahoma 4-H Extension STEMist Internship – Oklahoma State University (Stillwater, OK)

2023

- Keep updated on Science, Technology, Engineering, and Mathematics current events
- Correspond with Oklahoma County Extension Agents about STEM scheduled visits
- Demonstrate leadership skills to young students through prepared workshops based on STEM materials

LEADERSHIP EXPERIENCE

Oklahoma State University

President's Leadership Council

2024-present

- A competitive scholarship and leadership program for outstanding incoming students that teaches the importance of leadership and serving throughout life
- Volunteered for The Leadership Experience high school leadership conference on the Experience team ensuring students were enjoying the conference
- Actively participated in LEAD Week on campus and applied what I have learned about leadership to real-life situations

Connors State College

President's Leadership Class

2022-2024

- Refined the habits that leaders need to be innovative, strategic, and service-oriented
- Imparted a deep knowledge of leadership theory, practice, and the contexts in which leaders operate
- Sharpened the skills necessary to solve problems and lead effectively in a variety of situations
- Elected to serve as the President and preside over 18 President's Leadership Class members, and 5 executive officers from Fall 2023 to Spring 2024

CSC Ambassadors of Agriculture

2023-2024

- A select group of agriculture students dedicated to enhancing the image of and interest in the agriculture industry and the Division of Agriculture at Connors State College
- Hosted functions to educate students about the career and educational opportunities within the industry
- Stayed involved in service-learning activities in the college, community, area, and state

ACHIEVEMENTS AND HONORS

National FFA Organization

American FFA Degree Recipient

2023

- Highest degree awarded by the National FFA Organization on an individual level
- Less than one percent of FFA members earn this degree
- Shows dedication to the local FFA and state FFA level and overall leadership abilities

Connors State College

Phi Theta Kappa Honor Society Member

2023-2024

- The mission of Phi Theta Kappa is to recognize the academic achievement of college students and to provide opportunities for them to grow as scholars and leaders
- Maintain a minimum 2.5 GPA
