It is strongly encouraged you attend new student orientation as early in June as your schedule permits.

Small Groups and FIT SAMs: One of the exciting benefits of FIT is the resource of a Freshmen In Transition Student Academic Mentor (FIT SAM). The FIT SAMs are a select group of peer mentors who work with you during your transition to OSU and Ferguson. Your FIT SAM will contact you during the summer. Please feel free to ask them any questions you may have about the OSU experience.

Your selection for participation in this program is exciting and we hope the opportunities available to you through FIT will enhance your college experience.

We look forward to the 2021-2022 academic year. It will be a year full of excitement and accomplishment for all!

Sincerely,
